

▶ Alexandros Markatis

M.Sc. Student at University of Athens

Phone: 2107274575

E-mail: almarkat@chem.uoa.gr

Education

B.Sc. in Chemistry (2008-2013), University of Patras, Grade: 7.43/10.00

M.Sc. in Chemical Analysis & Quality Control (2013-2015 (expected)), University of Athens, Grade --/10.00

Research Topic:

Undergraduate thesis & Internship at General Chemical State Laboratory : Qualitative Control in alcoholic drinks, sugar, honey and other food products.

Master thesis: Development and validation of a confirmative method for the target screening of emerging pollutants (EPs) in wastewater samples by liquid chromatography-mass spectrometry (HILIC-Q-TOF MS)

Research Interests

Hydrophilic interaction chromatography (HILIC)

Optimization of Liquid chromatography methods

Database construction for the analysis of emerging pollutants

Professional Affiliations

Association of Greek Chemists, 2013-Present

Contact information
