

## ► Aristeidis Tsagkaris

M.Sc. Student at University of Athens

Phone: 2107274575

E-mail: [atsagkarist@chem.uoa.gr](mailto:atsagkarist@chem.uoa.gr)

### Education

**B.Sc. in Food Science & Human Nutrition (2010-2015)**, Agricultural University of Athens, Grade: 7.61/10.00

**M.Sc. in Analytical Chemistry (2015-2017 (expected))**, University of Athens, Grade --/10.00

### Research Topic:

**Undergraduate thesis at Chemistry Laboratory**, Agricultural University of Athens: Rare earth elements content in blood of Greek diabetic individuals.

**Master thesis at Analytical Chemistry Laboratory, University of Athens:** Determination of flavonoids and phenolic acids in honey for the verification of geographical and botanical origin using UPLC- qTOF MS and chemometric tools

### Research Interests

Liquid chromatography (LC)

High resolution mass spectrometry (HRMS)

Inductively Coupled Plasma – Mass Spectrometry (ICP-MS)

Metabolomics

### Professional Affiliations

Hellenic Society for Nanotechnology in Health Sciences, 2017-Present

### Contact information

Aristeidis Tsagkaris

Phone: 210 7274575

Postal Address: Panepistimioupoli Zografou, Postal Code:15771, Athens, Greece
