

Ina Routsai

M.Sc. Student at University of Athens

Phone: +30 2107274430

e-mail: innarou@chem.uoa.gr

Education

B.Sc. in Chemistry (2016-2022), University of Athens

M.Sc. in Analytical Chemistry & Quality Assurance (2022-present), University of Athens

Research Topics

Undergraduate Thesis: “Development and validation of a method for the determination of sugars in food via LC-MS/MS”.

Master Thesis: “Utilisation of liquid chromatography hyphenated to ion mobility mass spectrometry - high resolution mass spectrometry for the detection of xenobiotic substances in biological fluids with the aim of studying the chemical exposure of humans”

Research Interests

General research interests: Method Development, Sample Preparation Techniques, Liquid Chromatography (RP-LC, HILIC), High Resolution Mass Spectrometry (HRMS), Environmental Analysis

Conference & Seminars

- 17th Hellenic Conference of Clinical Chemistry, 2019, Athens, Greece

Contact information

Ina T. Routsai

Office: 4th floor, Wing D, Room 8

Phone: 210 7274430

Postal Address: Panepistimioupoli Zografou, Postal Code:15771, Athens, Greece
